

ECO-DRIVE LONGLIFE 4 SAE 0W-20

ECO-DRIVE LONGLIFE 4 SAE 0W-20 is a synthetic high-performance low-friction engine oil for VW engines. Its special formulation guarantees highest thermal and mechanical stability while minimizing evaporation.

ECO-DRIVE LONGLIFE 4 SAE 0W-20 provides excellent wear protection and has outstanding low-temperature properties. This means that the oil is quickly distributed to all lube points and cold start wear is minimised. The highly effective dispersing additives prevent deposits on pistons and injection valves.

ECO-DRIVE LONGLIFE 4 SAE 0W-20 has been specially developed for use in VW and Audi engines of the latest generation with VW specifications 508 00 and 509 00.

This product is not backward compatible with VW 504 00 / 507 00 and other VW specifications.
